

The City of Santa Barbara presents the

A.B.O.P. Recycling Facility

The City of Santa Barbara now provides a facility where residents can recycle the following items:

**Antifreeze
Batteries
Used Motor Oil
& Latex Paints**

We also recycle old CD's (such as AOL promotional disks)!

Located at:

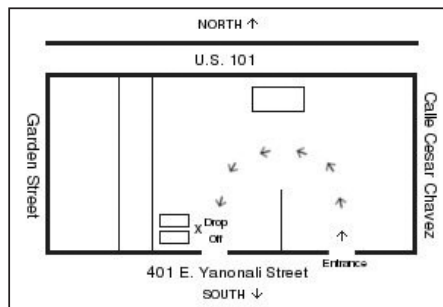

401 E. Yanonali St.

Santa Barbara City's Corporation Yard Annex

Hours: Sat. 9-3 and Sun. 10-2

ABOP Questions?

Call 560-7505 for more info.

The facility is open to residents of Santa Barbara, Montecito, and vicinity.

Other household hazardous waste, such as lawn chemicals and pesticides, and any other hazardous material should be taken to the Community Hazardous Waste Collection Center at UCSB.

Funded by a grant from the California Integrated Waste Management Board.
